Becoming a member.

Becoming a member of BKK Pfalz couldn't be easier. Head on over to www.bkkpfalz.de/en/ and fill in the registration form to join today.

C **Care.**

We provide help and support in day-to-day care for patients and their families.

Care at home.

In addition to statutory, therapeutic care from qualified nurses, we provide you with general care and domestic help for up to 26 weeks.

Children in hospital.

If a child is hospitalised, we pay for his/her guardian (parent, relative or an individual of choice) to stay with them overnight. We pay a maximum of 45 euros per day for room costs directly to the hospital. If your child is under the age of seven, no application is necessary.

Convalescent care and rehabilitation.

We pay up to 13 euros per day for accommodation and meals during convalescent care. We also grant a daily allowance of 21 euros for -convalescent care for chronically ill children.

Customer magazine.

Every quarter you receive a free copy of our customer magazine, which is always jam-packed with the latest health information, healthy lifestyle suggestions as well as leisure tips and trends.

D **Depression.**

Frequent fatigue, listlessness or sadness can be symptoms of depression. If you ever feel like this, our first approach is to offer a self-test and online support, both of which are completely anonymous.

Digital advice assistant.

Digital advice assistant on all care services – in digital dialogue, adapted to your own personal situation.

Digital office – also as an app.

Upload sick notes, documents, invoices, etc. from the comfort of your own home and receive mail digitally, maintain an overview of processes and more.

Disease management programme (DMP).

BKK MedPlus treatment programmes are special healthcare packages that ensure chronically ill patients receive the best possible treatment. These disease management programmes are tailored to your health at the time.

Doc around the clock.

Qualified healthcare professionals are here for you 365 days a year, 24 hours a day (in German). Get answers to all your medical questions no matter what the time. Helpline for medical and medicine queries: 0800 589 11 57; Helpline for family medical queries: 0800 664 95 77.

Domestic help.

If you are no longer able to manage in your own home because of illness, we offer you help with cooking and household chores. This applies even if you don't have a child under the age of 12 living with you or if you already have care at home.

E E-coaches.

Our coaches are available online to help you with a variety of different topics, from nutrition to heart health, children's health and running.

F Family insurance cover.

We are happy to welcome other members of your family who we will be pleased – wherever legally possible – to insure at no extra cost.
